True Depth of Dispair In China the child's first birthday is made the occasion of great festivities. It is the custom to prepare great quantities of "mien", or noodles, and send it about to all the relatives and friends. After this first celebration, succeeding birthdays are scarcely noticed until the tenth. Then another great celebration is held.

# **Better Homes Week**

President Harding, by proclamation, has designated October 9th to 14th as nation-wide Better Homes Week. It is altogether fitting that this store, which for so many years has shared in the making of better homes in this community, should now take a leading part in this great movement. Our entire store is one great exhibit of those things which make better homes possible. We will hold open house all week. Drop in and spend a few pleasant moments amidst the beautiful new furniture creations now on display. You will not be urged to purchase. It will be a pleasure to show you through the store.
